WEDDING.

A pretty wedding was solemnized at 6:30 o'clock last evening at Epiphany Episcopal Church, Washington, when Miss Alice Lillian Kersey, daughter of Mr. Charles T. Kersey, of this city, became the bride of Mr. Leslie M. Spinney, of Boston. The ceremony was performed by Rev. Dr. Randolph H. McKim, rector. The bride entered the church on the arm of her brother, Mr. Charles Harvey Kersey, by whom she was given in marriage. She was becomingly gowned in a creation of white lace over white satin and carried lilies of the valley. She was attended by Mrs. John Kochford, who served as matron of honor, who wore a gown of gold-colored satin and carried yellow daisies. The bridegroom had for his best man, Mr. Marshall King, of Alexandria. Following the wedding, Mr. and Mrs. Spinney left for a northern bridal trip. Upon their return they will reside in Woodside, Md.

CORONER'S INQUEST.

Dr. Moore, the coroner, with Messrs. H. D. Kirk, J. H. Fisher, Kenneth Ogden, George D. Hopkins, R. M. Graham and Harrie White, met last night at Mr. B. Westley's undertaking parlors for the purpose of investigating the collision between an electric train and a wagon in charge of Mr. George Struder on upper King street on the 24th ultimo, which resulted in the death of Mr. Struder at the Alexandria Hospital Tuesday night. After viewing the body, the jury was adjourned to meet again tonight at 8 o'clock.

BIRTHDAY PARTY.

The parlors at the residence of Mrs. Charles A. Tenneson, 211 Wolfe street, were filled with little ones yesterday afternoon, the occasion being a birthday party given to her little daughter Cora Lucille. The occasion was a happy one and the young hostess was the recipient of many presents. During the afternoon a beautiful spread was laid and the young folks partook of them in a manner which pleased the older ones present. The festivities ended about 5:30 and all present wished little Lucille a long and happy life.

PART OF COURT OF HONOR SOLD.

The decoration committee of Homecoming Week have received an offer of \$300 from the Watson-Flagg Engineering Company, of New York, for a portion of court of honor now on Washington street. The offer has been accepted by the committee. The portion to be sold embraces 8 columns and 80 poles and their bases.

The reviewing stand used on the occasion of the parade on Friday last has been sold to Mr. Martin Quinn, of this city.

FREE KINDERGARTEN.

The public are most cordially invited to attend the annual meeting of the Alexandria Free Kindergarten Association, to be held at 8 o'clock on Friday evening at the Young People's Building. No admission tickets are necessary. The director of the Washington Kindergarten is to give a talk on "A Kindergarten programme in outline," which is to be illustrated by the singing of kindergarten songs.

COLUMBIA FIRE ENGINE COMPANY.

A meeting of the Columbia Fire Engine Company was held last night. Only business of interest to the organization was transacted. A resolution tendering the thanks of the company to ladies who had furnished flowers with which to adorn the apparatus on the 30th ultimo was adopted. One new member was elected.

TRIBE INSTITUTED.

Members of Seminole tribe, No. 35, of this city, and of Osceola Tribe, No. 1, last night visited Herndon, Fairfax county, for the purpose of participating in the ceremonies in connection with the institution of a tribe of Red Men in that place. The ceremonies were conducted by Great Junior Sagamore W. S. Nickens. Refreshments were furnished during the evening.

CARDINALS VS. BRADDOCKS.

The Cardinal Athletic Club will line-up against the Braddock High School team of Washington, on Colours field tomorrow at 4:30 sharp. The Braddocks are one of the strongest 15-year-old teams of Washington. Schofield will pitch and Patterson will catch. A good game is expected. The Cardinals will play the Regulars on Saturday.

FINED FIVE DOLLARS.

John Bundy, a Washington negro, boarded an electric train in Washington early last night for the purpose of coming to this city. When the train entered King street Bundy made himself obnoxious by grossly improper conduct. He was arrested by Officer Young and brought before the Police Court this morning and fined \$5.

FORFEITED HIS COLLATERAL.

Walter Sullivan, of Stafford county, who was arrested yesterday on a charge of carrying concealed weapons, drunkenness and disorderly conduct, left \$20 collateral for his appearance in the Police Court this morning. He failed to answer to his name when the case was called and forfeited his deposit.

CHARTER.

The Corporation Commission has granted a charter to the Mt. Ida Realty Company (Inc.) Alexandria, J. S. Groves, president, J. R. Cato, secretary, H. B. Cato, all of Alexandria. Maximum, \$100,000; minimum, \$50,000. Objects: Real estate business.

People living in the neighborhood of Wilkes and Henry streets are still complaining of the inconvenience experienced by them by reason of the pump at that corner being out of order.

NO END TO AMUSEMENT.

Tonight the people of this city will have a chance to see one of the most thrilling shows ever exhibited here. The vaudeville and motion pictures heretofore shown fade into insignificance besides the most startling English melodrama. The Johnson-Dowsey stock company, than whom there is few better, will present it. The Opera House will naturally be crowded to see "Jack the Ripper," the last act of which is the most thrilling scene on the stage. A regulation gallows is used on which "Jack the Ripper" pays the penalty of his many crimes. This is a chance of a lifetime to witness a soul stirring melodrama—Tonight, Friday and Saturday. All reserved seats on sale at Wardfield Drug Store, and it only cost 15 cents. The execution of "Jack the Ripper" on the gallows is one of real interest. The regulation knot is used, and a drop of five feet is taken. Every climax is thrilling and exciting.

The Surprise Theatre offers an interesting bill for the last half of the week. Baby Edmund and her mother will entertain all who visit the theatre. The Pittsburgh Tribune in referring to Baby Edmund says: "Baby is just about the brightest and cutest trick ever seen in local vaudeville, and the way she winds the sentiments of her spectators around her little finger is a delight for any mother's heart." Binney and Chapman, comedy sketch artists, and Billy Wilson, black face comedian, are great attractions. Baby Edmund will give a reception at Saturday's matinee.

Be it said to the credit of the house the Alexandria Amusement Company ranks among the foremost in good pictures. The crowds which attend nightly prove this. Human nature is the same all over the world and when those who love amusement have a chance to witness a good show and at the same time get a prize they never fail to sit up and take notice. Excellent programme of pictures advertised for tonight.

PLANKED-SHAD DINNER.

The Dyke, just below this city, never shone with more splendor than on yesterday. The water never looked prettier, that is, that which flowed peacefully through the woodland; the warm southerly winds wafted sweet perfume and rustled the foliage of the trees, which have donned their summer apparel, all trying to do honor to the visitor from Germany, and even the birds, alive to the prominence of their guest, warbled their sweetest melodies. The occasion of it all was a planked shad dinner at which Mr. Louis Kraft, formerly of this city but now of Kaiserlautern, Germany, was the guest. It was tendered him by his friends at the summer cottage of Councilman Charles B. Marshall. About twenty of Alexandria's business men took the trip to help welcome our former citizen. Felicitous speeches were indulged in and a general good time experienced. They returned at a late hour. Mr. Kraft is the guest of Mr. E. E. Dowham during his stay here.

SUDDEN DEATH.

News was received in Washington last night of the sudden death of Mr. William Kurtz Johnson, in Ceylon, on Tuesday, of heart disease. Mr. Johnson was married in November at Mexico City to Miss Eno Ham, of that city, and was on his wedding trip around the world. He was the son of the late E. Kurtz Johnson, former president of the Citizens' National Bank of Washington, and is survived by his wife, three brothers, O. H. P., Charles H., and Richard A. Johnson, of Washington, and a sister, Mrs. Hugh McGuire, of this city.

CONTRACTS.

The committee on light of the City Council met last night and awarded to Messrs. W. A. Smoot & Co., the lowest bidder, the contract for furnishing the gas works with coal for the ensuing year. The product of gas tar from the works for the year was sold to the Warren Bros. Company, of Boston, the highest bidder.

POLICE COURT.

[Justice H. B. Cato presiding.]
The following cases were disposed of this morning:
Walter Sullivan, charged with disorderly conduct and carrying concealed weapons, forfeited \$20 collateral by failing to appear.
John Bundy, colored, charged with improper conduct on an electric railway train, was fined \$5.
Nelson Welford, colored, charged with conducting the plastering business without a license, was given until Saturday to procure the same.
